The company

As a leading audit and consulting practice in Belgium, Deloitte offers value-added services in audit, accountancy, tax, consulting and Financial Advisory Services. In Belgium, Deloitte has more than 2,600 employees in over 11 offices across the country, serving national and international companies, from small and middle-sized enterprises, to public sector and non-profit organisations. The Belgian firm is a member of the international group Deloitte Touche Tohmatsu, an organisation of independent member firms devoted to excellence in providing professional services and advice.

Our strengths

At Deloitte you will be a lifelong learner. When you start your career with us, you will receive intensive training. After that you will continue to increase your capabilities with on-the-job coaching and specialised training courses geared to your line of business. The extensive training we offer is the ideal preparation to obtain certified titles such as Auditor, Accountant or Tax Consultant. You will be given additional responsibilities and consequently move on to more important positions with all the inherent benefits. You will have the opportunity to participate in our international exchange programmes. A counsellor will advise and guide you with regards to your career development.

Who are we looking for?

To keep up with continuing growth and maintain our exceptional level of service to our clients, we are recruiting junior professionals to join our team. You could be the new colleague we are looking for, if you:

- Have a bachelor or master degree in (applied) economics, commercial, industrial or civil engineering, accounting, law, tax, psychology, notaryship, IT or any other business studies.
- Are eager to learn, a real team player, client- and results driven, entrepreneurial with the ability to develop strategic vision.
- Have a communicative personality and an analytical mind.

Want to learn more?

You can meet us at most campus and job fair events in Belgium throughout the year. At the beginning of the academic year we organise special events during which you can discover Deloitte. There, you will have the possibility to talk to Deloitteers and get a first taste of what it is like to work at Deloitte.
