

Enhancing

lives

A fulfilling

working

environment

There's

more

to

life

at Nestlé

As the leading Nutrition, Health and Wellness Company, we are committed to enhancing people's lives, everywhere, every day. Enhancing lives will shape everything we do together. The impact that you have locally has the potential to be felt internationally; the ideas that you bring to life today could shape our future. You will take ownership for your future, remaining open to new perspectives and sharing our commitment to exceptional performance and to quality in everything we do. Your passion and pride will continue to make Nestlé the global leader in Nutrition, Health and Wellness, enhancing lives all over the world. If you are interested in a position at Nestlé please apply online on www.nestle.be

Nestlé is the world's leading Nutrition, Health and Wellness company. Our mission of "Good Food, Good Life" is to provide consumers with the best tasting, most nutritious choices in a wide range of food and beverage categories and eating occasions, from morning to night. We believe that leadership is about behaviour, and we recognise that trust is earned over a long period of time by consistently delivering on our promises.

Across the world more than 327,000 people work at Nestlé from all nations and cultures, from all walks of life and professions. Nestlé is not only a Food and Beverages company, but also a 'human' company'. We know that what makes our company unique is our staff: The people who share our beliefs and principles and who work constantly to keep Nestlé in its leadership position. Nestlé is not a faceless company selling to faceless consumers. It is a human company providing responses to individual human needs all over the world.

Our products, our brands

Increasingly, Nestlé is becoming the world's leader in Nutrition, Health and Wellness. Its wide variety of product categories range from milk products, ice cream, breakfast cereals, coffee and beverages, culinary products, chocolate and confectionery, to mineral water, nutrition and petfood. Nestlé aims to provide good food throughout life's various stages. From infants to the growing child, the adolescent, the adult, and those who have reached old age. As a food company, Nestlé naturally has an enormous responsibility to ensure the highest standards of product quality and safety.

Our Commercial Traineeship

Each year, Nestlé offers a number of talents the opportunity to follow our Commercial Traineeship to finally become a leading Commercial Manager. This traineeship takes around 3 years. You will gain experience in sales & marketing-related activities and other areas of the business. The aim is for you to move to these departments where you further develop your talents and where you can continue your future career path. After 3 years you will be ready to assume responsibilities in the field of sales & marketing. You will become a Key Account Manager, Product Manager or Category Manager in one of the divisions in Belgilux. We will help you to reach the top at Nestlé by offering the best training and support.

Who are we looking for?

Nestlé believes in long-term career development and realizes that people need challenges and motivation to grow and reach their potential. We expect you to be dynamic, pragmatic, a teamplayer, a person of integrity, and a high achiever.

Our selection process: The Business Course

The Business Course will take place in March 2014 (apply as from October 2013). This interactive course gives you, and around 15 other students, a glance of a topcareer at Nestlé. During these days you can experience what it is working at Nestlé by making cases, viewing presentations and meeting topmanagers and trainees. But besides this experience, the Business Course is also the last selection before we make the best candidates an offer to start our Commercial Traineeship. So show us your capabilities during these days, and there is a possibility you start your fast moving career at Nestlé!
